Duke Primary Care is committed to supporting the well-being of our team members. We have a wide variety of resources available to faculty, staff and students, and we've organized those resources into categories to make them easier to access. Choose the type of support that best fits your needs.

1. **Self-Directed**
   Broad and general resources to help with your health and well-being. Services include digital resilience tools, flyers, meditations, and more. 
   Scan the code or follow to link to visit the Well-Being Library.

   bit.ly/dukewbllib

2. **Guided**
   Focused resources for both individuals and teams. 
   Call Employee Occupational Health & Wellness or Human Resources:

   EOHW: 919-684-3136 or HR: dpchrrequests@dm.duke.edu

3. **Specialized**
   Services provided by specialists from Behavioral Health and the Personal Assistance Service

   Call the COVID-19 Emotional Support and Well-Being line: 

   919-681-1631

   or

   Durham Call Personal Assistance Service:

   919-416-1727

   or

   Wake County Call Business Health Services (Employee Assistance Program):

   1-800-327-2251

   National Suicide Prevention Lifeline 800-273-8255
